

Time is the most undefinable yet  
paradoxical of things;  
The past is gone, the future has  
not come, and the present becomes  
the past,  
Even while we attempt to define it,  
and, like the flash of the lightning,  
at once exists and expires.

Colton

## Homecoming

The traditional parade set off Homecoming '69. The Swanton Band led the parade followed by the Queen and her Court and a decorated truck full of spirited cheerleaders. The parade then made its way back to the school for the bonfire. The cheerleaders led the enthusiastic football team and crowd in many cheers. The Queen and Court were then presented by a trip around the field and escorted across to their seats while the band played "Mame." Our team played a strong game but was defeated by Wauseon by a score of 18-6. This was only our second defeat of the season.

The dance the following night supported the theme "Windmills of Your Mind." The Eastwood Band played in a surrounding of brightly colored windmills and streamers. Then at 10:30 P.M. the highlight of the evening took place as Chris Beatty and Tim Toland crowned Cathy Poca 1969 Homecoming Queen.

HOMECOMING QUEEN MISS CATHY POCA 9

# Senior Class Trip

of an age,  
but for all  
time.

# The Junior Class

## Presents . . .

### You Can't Take It With You

A most eccentric family invaded the Swanton High School stage November 14 and 15. The New York dwelling of Martin Vanderhof and his assorted family members was as cluttered as the minds of his love-struck granddaughter and her fiance. Add a father who makes firecrackers in the basement, a mother who writes zany plays, her daughter who constantly practices ballet and makes fudge so that her husband can include his "subversive" pamphlets from his living room printing press and the result is continual chaos. You Can't Take It With You provided 213 laughs a night. The Junior class play was one of the greatest crowd-pleasers at S. H. S.

## Senior Class Play "The Mouse That Roared"

Imagine a tiny country declaring war on the United States! Sound ridiculous? This amazing feat happened as the Class of '70 presented THE MOUSE THAT ROARED on March 20 and 21.

Grand Fenwick, ruled by the Duchess Gloriana the Twelfth, invades the United States during a test air raid and defeats them. The Fenwickian soldiers, led by Tully Bascom, capture an important scientist, his security guards and most important - the Q-bomb which finally becomes a peace weapon.

This classic comedy resolves itself with a bit of romantic nostalgia. THE MOUSE THAT ROARED - a fun show - many exciting memories - a hit presented by the class with talent - the class of '70.

# Junior-Senior Prom

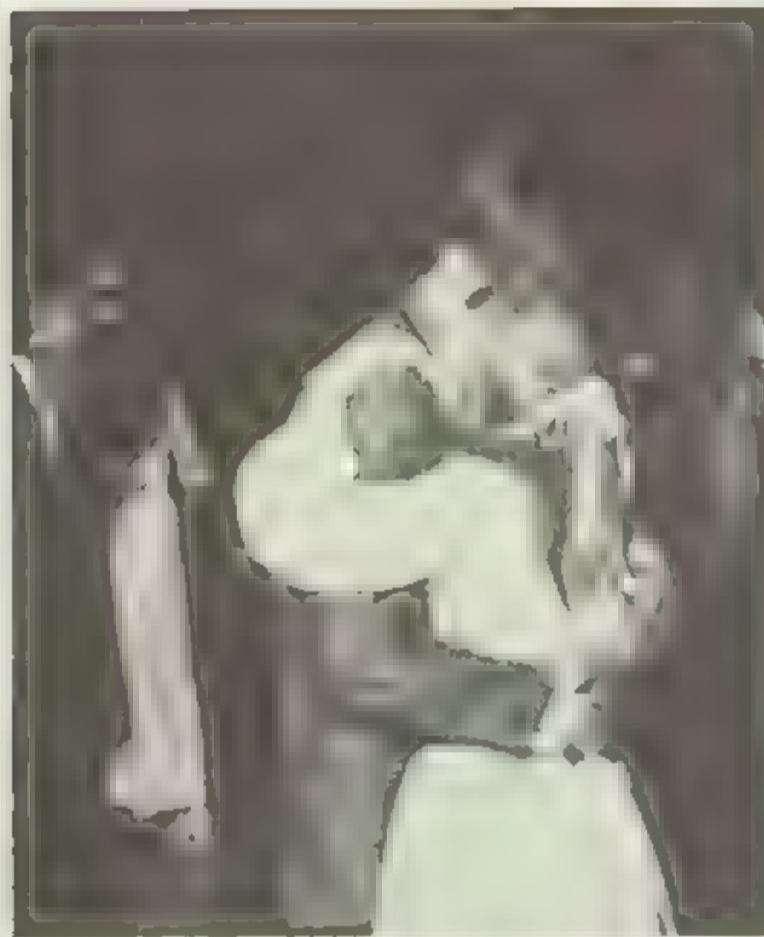

## Treasure Island

The Seniors were very impressed with the setting of the Junior-Senior Prom held on Saturday, April 25, 1970. The theme was "Treasure Island" complete with palm trees and treasure chests. The walls were covered to give the effect of bamboo poles with a deep blue sky overhead. It was as if Cinderella's fairy godmother had transformed our high school gym as she did the pumpkin, into a fantasy world. The highlight of the setting was a mammoth ship with sea gulls flying about its mast.

The coronation took place at 12:30. The Juniors moved mysteriously through the crowd and chose the following couples: Cheri Walters and Mike Michalkiewicz, Ketse Belan and John Warkentin, and King Jeff Dennis and Queen Cathy Poca. The Court then danced to "Strangers in Paradise" played by the Brass Core. The Prom ended soon after as all the beautiful maidens were taken by their handsome princes to RCR bowling alley for the after-prom party.

## Spring Concert

Swanton High Music Dept. presented the annual Spring Concert on May 16th in the gym. It consisted of many vocal groups, the Dance Band, and the Senior Band. Girls' Glee got the program under way with some popular selections among which was an arrangement of 'Jet Plane' and 'Will You Be Staying After Sunday?' arranged and conducted by LuAnn Griffin. The Dance Band kept up the pace with 'Turn Around, Look at Me' and 'Something Stupid.' Several Ensembles then sang such 'groovy' songs as 'Raindrops Keep Falling on My Head' and 'Aquarius - Let the Sunshine In.' The Senior members of the Senior Band set off the band's part of the program with a 'surprise' presentation of a Conductor's baton to Mr. North. The band then played five selections of which 'Masque' and 'Love theme from Romeo and Juliet' were two. The highlight was 'Promises, Promises' accompanied by a vocal group singing along with the band. Senior High Chorus then came across with such songs as 'Elijah Rock' and 'Sunshine in My Soul.' The concluding song was 'Magnificat' sung by all the vocal groups.

Missing: S. Tolford, K. Bowser.

The SHS band, under the direction of Frank North, has been an active representative of our school throughout the year. Practice began in late August for the forthcoming football season. Each game the band presented spirited pre-game and half-time shows.

Determination marked the concert season as the band prepared to go to contest at T.U. Their hard work in preparation rewarded them with three I's on their performance, and a III in sight reading.

Spring Concert brought an afternoon of entertainment to the community with the presentation of "Promises Promises," and other special music by the chorus and Stardusters.

## **Stardusters**

1st ROW N. Miller, J. Lewis, D. Lambrezer, P. Crossheim, M. Miller. 2nd ROW T. Snyder, D. Purdy, B. Sadowski, L. Core, J. Poland, L. Griffin, M. Bonam, K. Keller. 3rd ROW J. Jeska, J. Dennis, B. Thomas, B. Keller, B. Mann, P. Seeman, K. Luber, T. Forrest, Mr. North, Director.

brings in his revenges."

## FOOTBALL REVIEW

After three months of pre-season practice, the Bulldogs made a bid for the league championship only to be overcome by Wauseon in the last league game. In spite of this, the Bulldogs posted a highly commendable record of 6-2-1. One of the highpoints of the '69 season was the Napoleon game when the Bulldogs ended the Naps 14 year win streak against Swanton!

Because this was Jim Mason's last year as a coach at Swanton High School, his team feels that he fielded a championship team even though they were one game shy of this goal.

Tim Toland, Jeff Dennis, John Warkentin, Dave Purdy, and Rick Forrest were selected for the first team of the NBL All League team. The second team and honorable mention selections for the NBL complimented these five football men!

Dave Purdy grabs two points.

Mr. Masteller in a deep discussion with his team.

Rich Chapman (Cheech) in control of the ball.

# Wrestling

The wrestlers began their season with a new coach, Ken Najarian. The ambitious young grapplers showed their new coach that they had what it takes to be a wrestler. The season went slow at first but by the end they were near the top fighting for first place. The final match saw Archbold showing their strength and our boys finished with second place in the league.

A big help to our wrestlers throughout the season was Ben Thomas, a student teacher under Mr. Najarian. Rick Baker and Chris Beatty were league champs with the rest of the team not far behind. They helped wrap up a successful year for Coach Najarian.

# Cross Country

The first day of school saw our Cross Country boys out and running. Long nights of practice rewarded them with second place in the league. Coached by Mr. Dastigar, the final record ended with 5 wins and 4 losses. District results ranked Swanton tenth among the competition. One of the outstanding runners this year was Ken Munding who broke the Cross Country record previously held by Pete Alfaro. With all starters returning a good season is expected next year.

FIRST ROW Tom Warner, Jerome Hobson, Steve Walker, Jim Morder, Dennis Lumbrezer. SECOND ROW Bill Pihod, Marty Wyner, Bob Chapman, Tom Householder, Ric Hartsell, Ben Mandine, Mr. Dastahir, Coach. THIRD ROW Mike Mikaliewicz, Ric Powers, Bill Schmidt, Alan Robasser, Paul Cooley, Bob Keller, Chris Mauuer, Kevin Shoup.

# Golf Team Takes First in League

The golf team made a fine showing this year by taking the league championship with a 6-2 record.

In the district match Swanton placed 9th out of 14. Those playing in that match were: Tim Toland 89, Wayne Gearig 95, Bill Pilliod 96, and Jeff Dennis 93.

This represents only the second time Swanton has received a league championship in golf. Coach Morlock and his team are commended for bringing Swanton their first trophy this year.

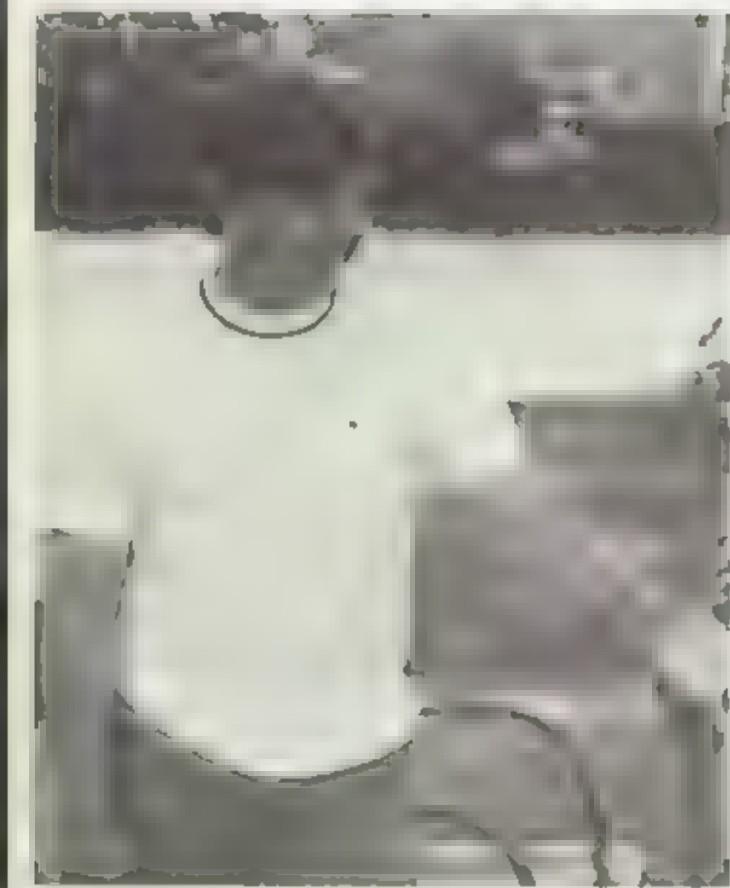

LEFT TO RIGHT: Tom Haascholder, Jim Jeska, Jeff Dennis, Tim Tolland, Coach Motlock, Wayne Keeler, Bill Pile, Bob Chapman.

# Baseball

# NBL Co-Champs

A 2-1 defeat over Delta climaxed a fine season for Swanton's hardballers. Finishing with a 5-1-1 league record, they became Co-Champions with Montpelier. Pitching proved to be the strong point for the Bulldogs as Dave Purdy, Gary Lenfesty, and Steve Williams gave up only 16 earned runs while striking out 157 batters and walking 29 in 124 innings. Dave Purdy led the pitching staff with a 6-1 record and an E.R.A. of .364.

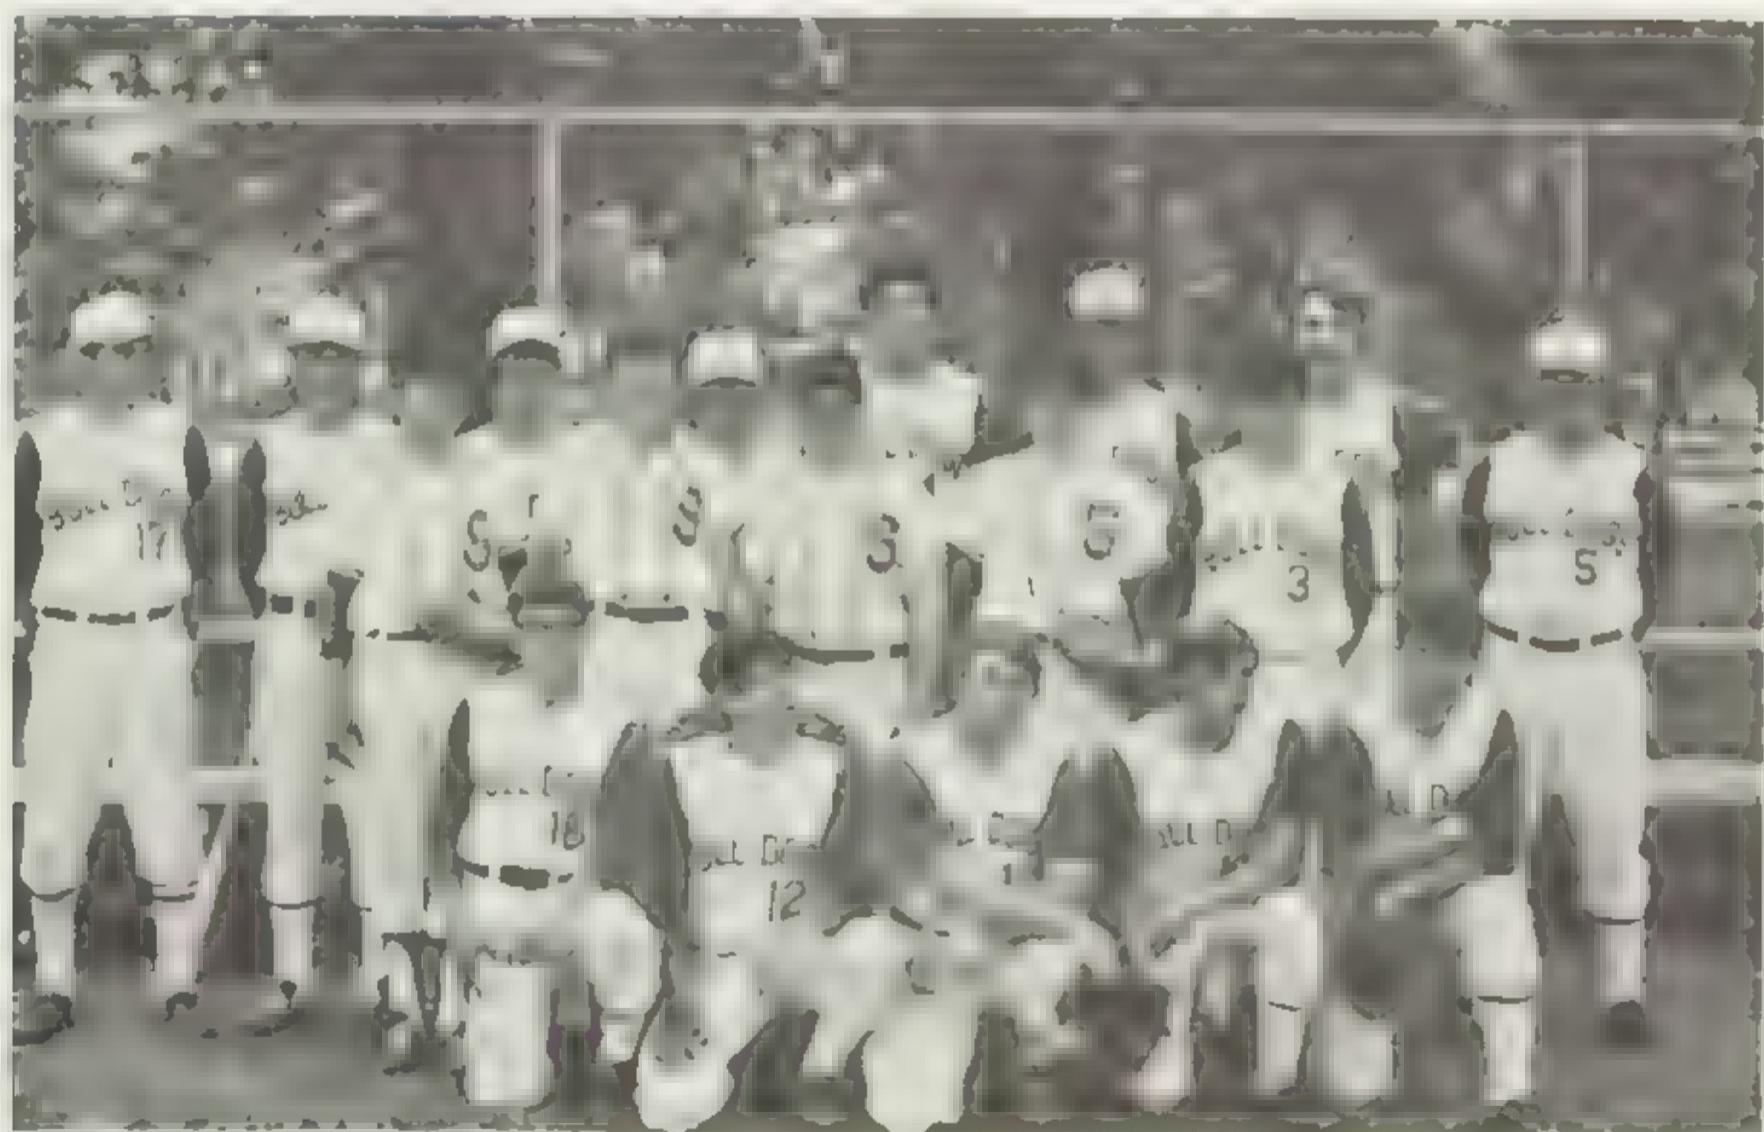

Seniors Dennis Wyckhouse and Chuck Redding led the offensive attack. Dennis compiled a .346 batting average with 12 R.B.I.s while Chuck led the team in walks and stolen bases.

The overall record for the season was 10-4-1, one of the best years Swanton has had in Baseball.

# Track

Spirits were roused when Swanton's first meet resulted in an overwhelming victory over Fayette and Spencer Sharples. The season moved on rapidly with the Bulldogs taking 1st in four of their meets. Ken Munding broke the school record in the two mile with a time of 10:36.8 at the Swanton Night Relays. Mark Lumm also set a new school record with a time of 2:05.5 in the 880 yd. dash. Dave Purdy made a tremendous showing by going to district where he placed 2nd in the pole vault. Vicki Bettinger was chosen 1970 Track Queen and represented Swanton at the NBL Track Finals. Swantons total points placed them third among the league competitors.

# Faculty

BRIGETTE THOMAS

Mrs. Thomas teaches French and sponsors the French Club. During the summer months her family and a group of Swanton students made a 3 week trip to Europe. This petite lady originates from Tübingen, Germany where she is hoping to return to see her family in the near future. Mrs. Thomas also tried to make French interesting and fun this year by sponsoring a Mardi Gras and an International dinner.

GAY DEIGER

This being her second year here, Mrs. Deiger took on a little more responsibility than just her regular freshman English classes. She decided to tackle Hi Life staff. After beating them for only three weeks with her whip, they turned into the best group of reporters and photographers around this school. We hail this brave soul.

## KEN NAJARIAN

Mr. Ken Najarian guided Swanton's contribution to outstanding wrestling teams through a winning season. He teaches boys' physical education and was assistant Varsity Football Coach. This amazing man helped to increase attendance at football games and wrestling matches because of the startling ways he vented his enthusiasm and temper.

BILL MORLOCK

"Billy Dean" teaches General Science and Driver's Education. He is the self-appointed faculty lounge director, eventually deposed, and coach of the Freshman football team. During the basketball season, he fearlessly gives coaching advice to the Junior High team. Mr. Morlock graduated from Bowling Green State University.

ELAINE MOLLENCOFF

Miss Mollencopf otherwise known as 'Mole,' is our English and speech teacher at Swanton High. She directed both the junior and senior class plays. Her speech classes added something different this year by presenting one-act plays for the student body. An out-going individual, she will be glad to discuss her personal life with you any time.

KAY ESTREL

Mrs. Estrel, new to Swanton High School this year, teaches sophomore and junior English. She received her degree from The University of Toledo. This enthusiastic brunette is advisor for Future Teachers of America. In case you wondered why she wasn't prepared for classes on Friday, she spent Thursday evening watching Tom Jones, her singing idol.

HAROLD RIDGEWAY

Tradition was challenged by Swanton's version of "the dirty old man" last September when "Howard" Ridgeway reported to school with a beard and mustache. This Industrial Arts teacher livens up the North end of the High School with the saws and electrical circuits.

CANDY KEENER

The Roman influence on Swanton students took a new face during 1969-70 with Mrs. Keener. This is her first year of teaching all Latin classes. She is sponsor of the Latin Club. This quiet gal is not frequently seen because she is held captive in the junior high part of our building.

MARK MCQUILLIN

The man who is always out parking with the students is Mr. McQuillin. Of course it's all legal because he is teaching Driver's Education. Early in the morning he can be seen with propped-open eyes teaching Sociology. After school hours Mr. McQuillin is busy with reserve football and basketball teams and baseball in the Spring.

NANCY DASTAGIR

Mrs. Dastagir joined the high school faculty to make our second husband-wife teaching team. She teaches sophomore and junior English classes but really she's here to keep her husband in line!

DOROTHEA THORNTON

Out of the cluttered northeast basement corner emerges the flaming 'RED.' Always thinking of new ways to involve her art classes, 'Red' led her students to a nearby beach last fall for a lesson in sand casting. The brightly painted walls outside the art room was another project undertaken by her students. A final note of caution for all students: Beware when you see this lady's hair become a violent crimson, for she may be a 'little' upset.

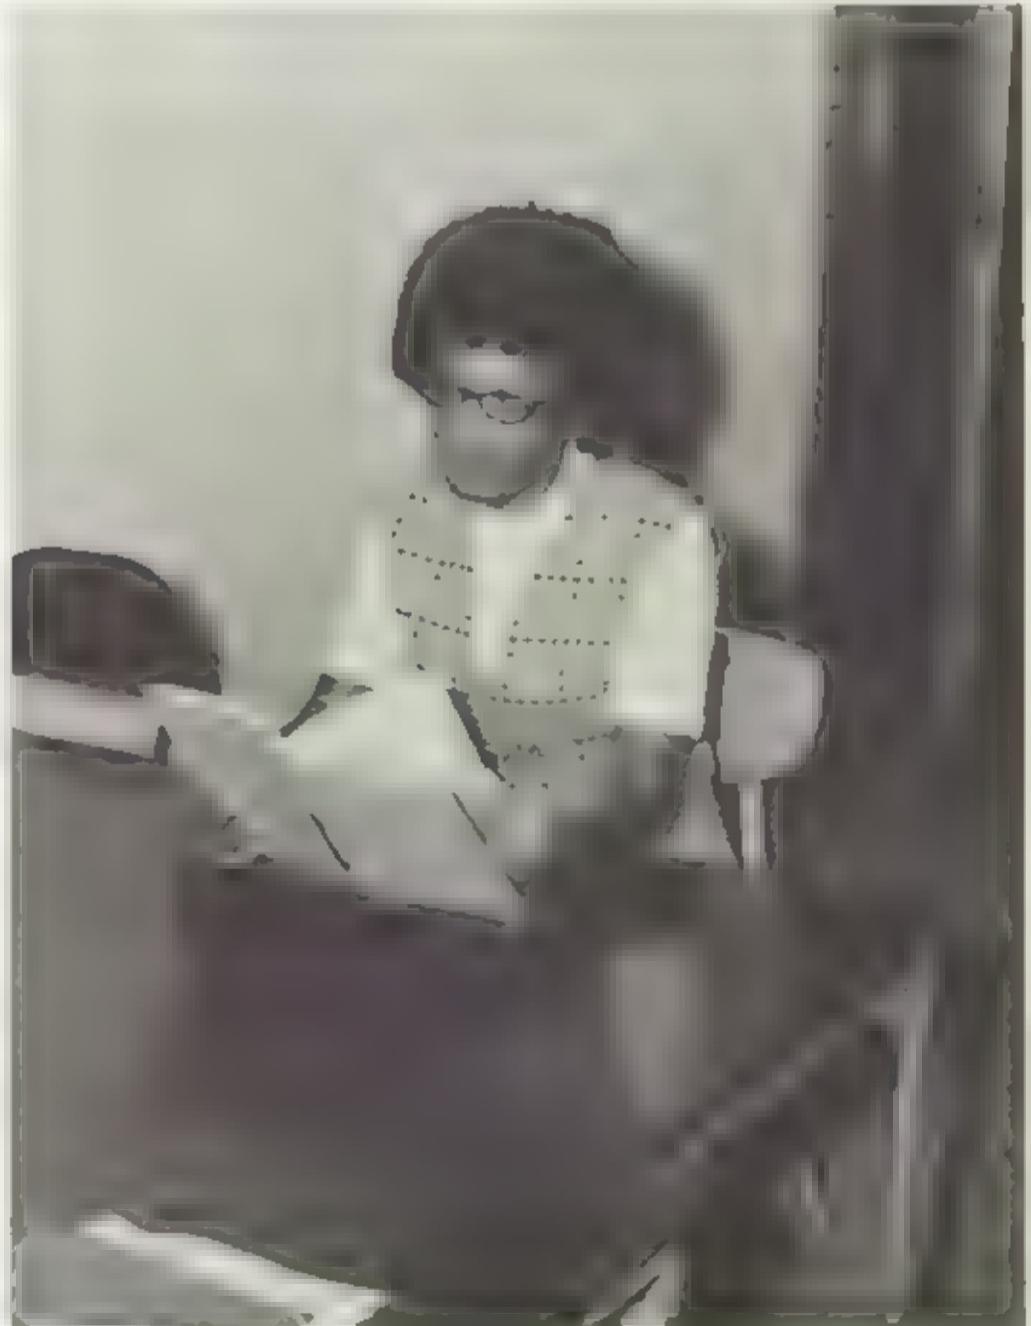

GHULAM (Jim) DASTAGIR

Mr. Dastagir is a versatile teacher. He coaches the cross-country team and teaches Algebra II, Physics and Trigonometry. If you're in some of his classes you may have heard him say: "What you doing 'tidy'; quiet down there, or what you got heart attack."

VIOLA BUTLER

Ohio State University produced Swanton's hard-working Occupational Education teacher. Mrs. Butler guides these students in many activities throughout the year. The class made a special trip to Cleveland this spring. She tells the cafeteria staff that she is not prejudiced ... she prefers chocolate pudding.

### DANIEL HOLDEN

In room 201 resides a man commonly known as "Tiger." Mr. Holden teaches both World Geography and Government. His talents are greatly appreciated by his loyal fans - Fred Fadule, Rodney Rodriguez, Sid Potriziby, and of course Joe Flabette.

For the past two years Tiger has presented organ concerts for the student body. Everyone enjoys his music and gags and they showed it by giving him a standing ovation both years.

IRENE SAGERT

You may have noticed a peppy little lady bouncing down the hall. That can describe the one and only Mrs. Sagert. Many of the seniors make pestering this lady their favorite pastime (and vice versa). One of her best talents is telling jokes - she's always ready with a good one, but often she needs help on the endings.

### ART RUGGLES

Mr. Ruggles, one of Swanton's teachers in the field of Industrial Arts, continued holding forth in the northern regions teaching various drafting and wood courses.

Mr. Ruggles also served as assistant wrestling coach this year.

### LEONA SLOAN

Mrs. Sloan is often seen running down the hall late for one of her many classes. Personal and Vocational Typing, accounting, and business English, keep her hopping in the business department.

You can often hear the zing of the typewriters as Mrs. Sloan leads her typists by beating on the desk with her gigantic ruler.

### RAY ORBEN

Ray Orben, our Algebra I and Plane Geometry teacher from eastern Pennsylvania, graduated from Findlay College. Mr. Orben was freshman basketball coach this year and he assisted with coaching duties for football and baseball.

### BETTY BIERBAUM

Mrs. Betty Bierbaum is the Phys. Ed., Health teacher, G.A.A. advisor and cheerleader advisor. This makes her a very popular and busy lady. You can usually see her in the hall in her shorts and blouse jogging from the lounge to the gym. "Mrs. B" received her degree from Ohio State University. This year Mrs. Bierbaum went on the senior trip and is better known to the senior girls as "Mrs. Beasley."

ROBERT WEBB

Swanton's teacher for the Occupational Work Experience program is Mr. Webb. This program is operated in conjunction with Penta-County. Students attend classes for one half day and receive training on the job for the remainder of the day.

WILLIAM DANIELS

You can always count on Mr. Daniels to keep the school full of sweet, refreshing odors during Chemistry labs. Each year students are enhanced by various scents that seem to linger throughout the halls.

Besides instruction in Chemistry and Earth Science, Mr. Daniels advises Photography Club and makes annual trips to Washington with the seniors.

## FRANK NORTH

During football season if you heard someone say "Frank North," you would know that they were talking of our beloved band director Frank North. His work in developing our band was shown by the exceedingly good scores at contest this past year.

Frank also has a rather violent side as often his baton goes flying during practice.

One word of advice to band students - if you want an A in band, just be an enthusiastic sailing fan.

### RUTH NORTH

Mrs. North, along with the man with the moustache, keeps our music department in tune. She enjoys swinging her arms at her students while they return "beautiful" notes to her ears. The Girls' Glee and Mixed Chorus presented their talents in a program for the Jr. High and in the annual Spring Concert.

### JERRY MASTELLER

Swanton High's questing biologist is Mr. Masteller. Amidst formaldehyde, scalpels, and microscopes, Mr. Masteller teaches freshmen the principles of zoology and botany. He serves as Athletic Director and head basketball coach for SHS too.

### THERESA SMITH

New to the Swanton faculty is Miss Smith. She graduated from the University of Windsor in Canada. Her subjects are Pre-Algebra, Algebra I, and General Math.

She earned herself an early summer vacation by contracting the mumps the last few weeks of school. Those numbers do get to you after while.

### KATHRYN JESKA

Mrs. Jeska worked this year to develop homemaking skills in Swanton High School girls. Appetite-whetting aromas and sparkling new clothes were products resulting from her home economics guidance. Serving as advisor of the Future Homemakers of America was also Mrs. Jeska's responsibility.

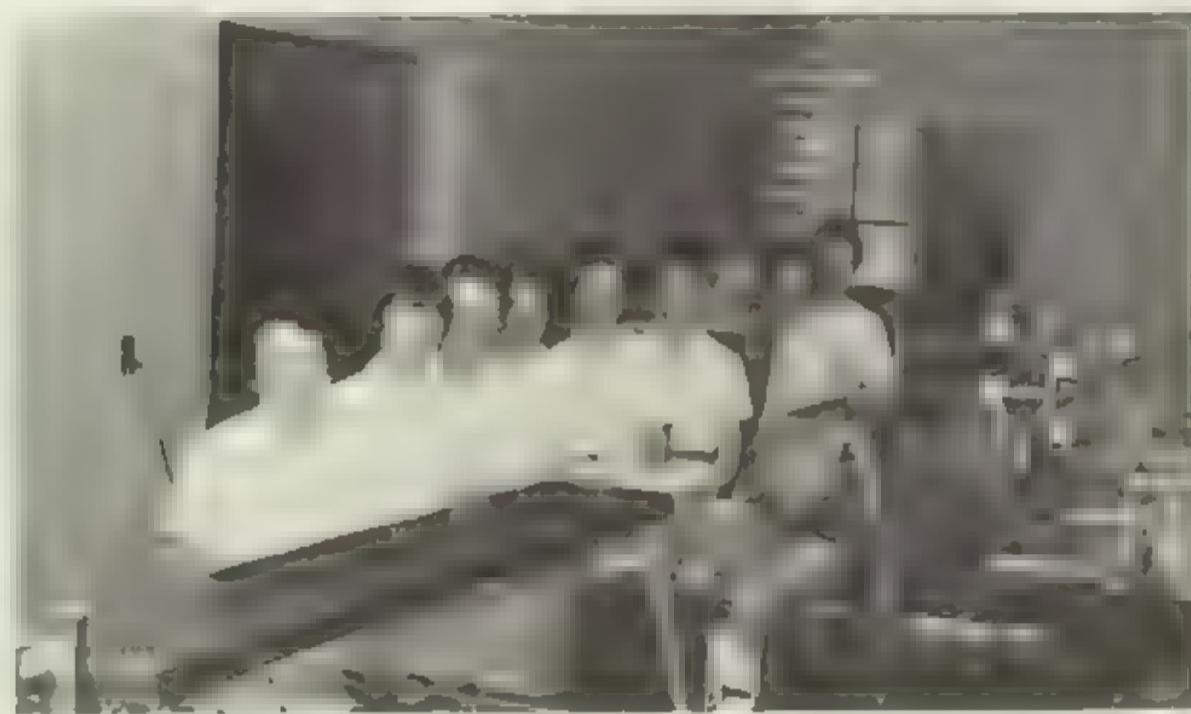

LYNN WESTHOVEN

The identifying marks of Mr. Westhoven are his wire-framed glasses and activism. Mr. Westhoven, new to the Swanton system this year, added much life to World History and American History classes.

Brenda Pancast and Janet Quay - Horticulture

Tom Roth and Keith Newton - Agricultural Mechanics

Dianne Porter - Cosmetology

# Penta County

There are 109 Swanton juniors and seniors attending Penta County Vocational High School. These students are trained in various fields of opportunity. Each area of study provides the essentials necessary for the development of the individual's skill.

DECA (Distributive Education Clubs of America) and VICA (Vocational Industrial Clubs of America) are only a couple of examples of the many organizations formed for certain vocations. These organizations provide their meetings with outside speakers that interest the students in a certain aspect of their training. Also representatives from some of these clubs are sent to Columbus each year for a convention of all vocational clubs of Ohio.

Brad Brown - Carpentry

Bob Perkins - Auto Mechanics
